True Partnership and Global Approach in Management of Renal Care
Dear Colleagues & Friends

It is with great pleasure and pride we invite you to join us in Krakow next year where our 46th EDTNA/ERCA International Conference will take place. The theme of our Conference is - ‘True Partnership and Global Approach in Management of Renal Care’.

The Kraków Congress Center is the cultural flagships of the city. It is located in the very heart of Kraków and it is a convenient place close to the hotels. The ICE Kraków has a three-level glass foyer, which provides a fantastic panorama view of Kraków as well as an excellent overview and access to the Industrial Exhibition and Session Rooms.

Krakow is among those European metropolises whose unique image has been shaped through the creative efforts of people of many nationalities. Included on the first UNESCO List of World Cultural and Natural Heritage Sites, the former capital of Poland remains the largest treasury of artefacts of the nation’s history.

Please join us in Krakow, experience our well planned Scientific and Educational Sessions, the Industrial Exhibition, Share Experience among each other and much more. Welcome to Krakow!

With very warm regards,

Marianna Eleftheroudi
EDTNA/ERCA President

EDTNA/ERCA Local Organizing Committee Chair
‘True Partnership and Global Approach in Management of Renal Care’

For us, within our Association, it is about ‘Achieving the best standard of education, standards and research for all renal care professionals caring and supporting their patients and families around the world. To be able to live by this Mission and the Purpose and Reason for being a true renal professional, we are many people involved. Many tasks to split and share among us, to become stronger and achieve our goals.

We always strive for Excellence in everything we do. Our Knowledge and Experience ensure that the outcome of our Educational Programs and Projects in Collaboration with our Partners shows the evidence of this. Our Commitment towards each other encourage us to do even more. Through the globalization and our Global presence we have an Opportunity to share knowledge and experience not only at Conferences and Seminars but also through our Publications and Digitalization Programme. All this creates fantastic opportunities for everyone involved. Our strength is to focus on the unique competencies and experience of each and every individual to create a Caring Culture that brings out the best in us all.

We are very much looking forward to our future collaboration with all of You!

Yours sincerely,

Marianna Eleftheroudi

The Value of the Conference

We are proud to introduce you to the Conference theme - ‘True Partnership and Global Approach in Management of Renal Care’. Our aim, as usual is to make this an unforgettable Conference in the historical city of Krakow.

The EDTNA/ERCA is a multidisciplinary organization for those working in renal care. Through the Scientific Programme we offer a significant and valuable contribution to the care, given to those referred to our renal services. The Conference is a forum for sharing the best research and innovations in practice and helps in initiating and promoting quality renal research and practice around the world.

The Conference has an important role of educating, exchanging information and experience, utilizing the expertise of health care professionals, service leaders, academics, researchers, care givers, people with renal disease and industry partners, from around 70 countries, who come together to share innovations and knowledge.

The Conference is a showcase for the latest technology and innovation in the treatment of Chronic Kidney Disease and our delegates are keen to view novel therapies, products and services at the exhibition area in conjunction with the excellent scientific program. The Conference therefore also provides an invaluable opportunity to promote therapies & products not only across Europe, but around the world.
