

During BANTAO and DiaTransplant joint Congress, Croatian Nurses Association organized Croatian Symposium for Nurses and Medical Technicians. Within 450 Congress participants, 180 among them were nurses/technicians. Event took place in seaside town Opatija, Croatia, from 15<sup>th</sup> until 18<sup>th</sup> October 2015.

We had intensive day of lectures with different topics from haemodialysis, peritoneal dialysis, transplantation and patient education with nurses' speakers from whole country.

During Annual General meeting, I presented our 44<sup>th</sup> Conference in Dresden. I am thrilled that after my presentation, many colleagues approached me with interest for volunteering and active work in the Association.
