

Number of EDTNA/ERCA Members in the Czech Republic is 87

- Each year, EDTNA/ERCA is becoming increasingly well known in the country and last year was no exception, therefore 2015 has been again a successful year for EDTNA/ERCA in the Czech Republic.
- Over 70 Czech colleagues attended the 44th EDTNA/ERCA International Conference in Dresden, several Abstracts were submitted and presented at this event.
- 15th Anniversary Multidisciplinary Nephrology Congress was held in November in Brno. It was a joint activity of Czech Association of Nurses and EDTNA/ERCA. Delegates working in renal care were stimulated and encouraged to submit Abstracts at future EDTNA/ERCA Conference.

EDTNA/ERCA Newsletter is again available in the Czech language.

Ten Patient Education Documents for CKD stages 1-3 from EDTNA/ERCA project supported by B. Braun Avitum were translated into Czech language and are available for free download at the website. This project has been highly acknowledged by Czech EDTNA/ERCA members.
