My Activities

- Attended 11-13 October 2016, National Congress of Nephrology Nursing organized by SEDEN in Oviedo.

I presented a communication about Scientific Societies.

A lot of people visited the EDTNA/ERCA booth where I promoted the Association with Roll-Up, the publications Portfolio, Handbooks, brochures, the News, the Journal of Renal Care. I also distributed some handbooks about Vascular Access, a Nursing Best Guide for Arteriovenous fistula for our Members of EDTNA/ERCA.

- On 10 November, I explained my presentation about Scientific Societies in my Hospital in the seminar XI Jornades Científiques. I showed EDTNA/ERCA for more than 100 colleagues of my job.
