## Welcome to EDTNA/ERCA

For us, within our Association, it is about 'Achieving the best standard of education, standards and research for all renal care professionals caring and supporting their patients and families around the world. To be able to live by this Mission and the Purpose and Reason for being a true renal professional, we are many people involved. Many tasks to split and share among us, to become stronger and achieve our goals.

We always strive for Excellence in everything we do. Our Knowledge and Experience ensure that the outcome of our Educational Programs and Projects in Collaboration with our Partners shows the evidence of this. Our Commitment towards each other encourage us to do even more. Through the globalization and our Global presence we have an Opportunity to share knowledge and experience not only at Conferences and Seminars but also through our Publications and Digitalization Programme. All this creates fantastic opportunities for everyone involved. Our strength is to focus on the unique competencies and experience of each and every individual to create a Caring Culture that brings out the best in us all.
