

CLAUDIiN - New Membership System

Dear EDTNA/ERCA members,

During the winter months we have been working efficiently to transfer all EDTNA/ERCA members data into the new membership system CLAUDiN. It is provided and handled by Association House, a department of Guarant International which is our association development partner.

The system will allow each member to

- self-manage his/her profile,
- change personal and contact details,
- receive automatic reminders of payment,
- renew their membership at any time,
- pay all the fees via bank transfer or by credit card.

As soon as the system is ready for registration, renewal of your membership or update of your profile, we will inform all the EDTNA/ERCA members via email and also on the website.

All current members including those whose membership has expired will have their personal account already set in CLAUDiN. You will only need to activate your profile first. Once the system will be set up we will send you a detailed guide with an assistance.

Please [email](#) us with any questions or issues you might have, and we will be happy to help!

We look forward to serving you in a more efficient manner.

Sincerely,

EDTNA/ERCA Administrative Secretariat
