

SCIENTIFIC PROGRAMME

The 48th EDTNA/ERCA International Conference Prague, Czech Republic, September 14th - 17th, 2019

Saturday, September 14th, 2019

16:00-17:45	<p>Hall A1 + A2</p> <p>S 01 Plenary Session The EDTNA/ERCA Collaboration Program – Creating a long-term sustainable Association together with the Multidisciplinary Team Chairs: Edita Noruisiene, EDTNA/ERCA President (Lithuania) Anki Davidson, EDTNA/ERCA Marketing Director (Sweden)</p> <p>A study to gain insights into the awareness, understanding and treatment practices among healthcare professionals involved in managing cachexia in patients with End Stage Renal Disease EDTNA/ERCA Research Group Ilaria de Barbieri, EDTNA/ERCA (Italy)</p> <p>Assessment for Malnutrition - Subjective Global Assessment (SGA) for dialysis patients A joint project between EDTNA/ERCA & B. Braun Martin Meier, B. Braun (Germany) Kalliopi-Anna Poulia, EDTNA/ERCA (Greece)</p> <p>Home Haemodialysis – From the Patient Perspective A joint project between EDTNA/ERCA & NxStage Siobhan Gladding, NxStage (United Kingdom) Henning Sondergaard, (Denmark)</p> <p>Venous Needle Dislodgement - Is it necessary to report? A joint project between EDTNA/ERCA & Redsense Medical Sebastien Bollue, Redsense Medical (Sweden) Tai Mooi Ho Wong, EDTNA/ERCA (Spain)</p> <p>Cannulation Devices across Europe and its Implications - The final result of an international Survey A joint project between EDTNA/ERCA & Medtronic Andy Cox, Medtronic (United Kingdom) Maria Teresa Parisotto, EDTNA/ERCA (Germany)</p>
17:45-18:00	Coffee break - Saturday, September 14 th , 2019
18:00-19:30	<p>S 02 Opening Ceremony Conférencier and Master of the Opening Ceremony: Ilaria de Barbieri, (Italy)</p> <p>Guest Speaker lecture Improving Patient Outcomes Through Implementation Science: An Important Goal in Renal Care John Sedgewick (United Kingdom)</p>
19:30	Welcome & Exhibition Opening

9:00-10:30	Hall A1	Hall A2				
	S 03 Corporate Education Session - Fresenius Medical Care The Future of Renal Nursing: Patient Centered Care in the Digital Era Chair: Raquel Ribeiro (Portugal)	S 04 Parallel Session Education Chairs: John Sedgewick (United Kingdom) & Nicola Thomas (United Kingdom)				
	Holistic care yesterday, today and tomorrow in renal nursing Maria Teresa Parisotto (Germany)	O 01 Post test evaluation of a patient decision aid with decision coaching for dialysis choice Jeanette Finderup (Denmark)				
	The power of information in the digital nursing era Ivana Lupomeska (Czech Republic)	O 02 Importance of an educational program in the control of hyperphosphatemia Cuba Márcia (Portugal)				
	Digital opportunities to improve patient care Niklas Best (Germany)	O 03 Investigation of Factors Affecting Dialysis Technician Students' Learning Styles and Attitudes Towards Technology Fatma Kaban (Turkey)				
	Translating digital opportunities into improved patient care Raquel Ribeiro (Portugal)	O 04 An innovative Pathway: community, local authority & charity partnership addresses barriers to organ donation Neerja Jain (United Kingdom)				
	Empowering renal nurses for the future Marjelka Trkulja (Croatia)	SO 05 Management of urinary tract infections in dialysis patient- A case study David Meshman (Israel)				
Discussion panel	SO 06 Educational and follow up program for dialysis patients' treatment outcomes Pedro Barros João (Portugal)					
	SO 07 National audit of dialysis units in the Kingdom of Saudi Arabia Reem Alhameedi (Saudi Arabia)					

11:00-12:30	Hall A1	Hall A2	Hall A3			
	S 05 DOPPS Clinical Symposium Update from the DOPPS Program: Centering care around patients Chairs: Edita Noruisiene (Lithuania) & Anna Marti i Monros (Spain)	S 06 Parallel Session The Patient Experience Chairs: Mike Kelly (Ireland) & Karen Jenkins (United Kingdom)	W 01 Workshop Developing and Maintaining Effective Teams Chairs: John Sedgewick (United Kingdom) & Helen Noble (United Kingdom)			
	Perceptions about the dialysis modality decision process among peritoneal dialysis and in-centre haemodialysis patients Anna Marti i Monros (Spain)	Guest Speaker lecture Engaging the "poorly reached" in kidney research and awareness campaigns Neerja Jain (United Kingdom)				
	Coping with kidney disease - qualitative findings from the Empowering Patients on Choices for Renal Replacement Therapy (EPOCH-RRT) study Michel Roden (Belgium)	O 08 Quality of life in haemodialysis and conservative management patients Clare McKeaveney (United Kingdom)				
	Patient perspectives on the choice of dialysis modality: Results from the Empowering Patients on Choices for Renal Replacement Therapy (EPOCH-RRT) study Marisa Pegoraro (Italy)	SO 10 Evaluating patient and carer perspectives of a kidney supportive care program Ann Bonner (Australia)				
	Associations of self-reported physical activity types and levels with quality of life, depression symptoms, and mortality in haemodialysis patients Jennie King (United Kingdom)	SO 11 Pain management using music therapy in a dialysis unit Florence Fernandes (France)				
	Panel Discussion - All speakers and audience	SO 12 Transplant education programme - patient experience Juby Susan Thomas (Ireland)				
12:30-14:00	Lunch break - Sunday, September 15 th , 2019					
	Hall A1	Hall A2				
	S 07 Lunch Symposium Polish Symposium 12:45-13:45 Chairs: Aneta Trzcinska (Poland) & Anna Klis (Poland)	S 08 Round Table Session - Baxter Empower PD Patients to Shared Care 12:45-13:45 Chair: Maria Arminda Tavares (Portugal)				
	(Session in Polish language) Session Welcome Ilaria de Barbieri (Italy) Vaccination in hemodialyzed patients Anna Klis (Poland) Co-morbidity in hemodialyzed patients as an important aspect of nursing care Małgorzata Liber (Poland) Elżbieta Cepuchowicz (Poland) Nephrological nurses and occupational exposure - how? when? why? Aneta Trzcinska (Poland)	Doctors Perspective Thierry Lobbedez (France) Nurses Perspective Gail McMullan (United Kingdom) The Perspective of the Multidisciplinary Team Panel Discussion: Maria Arminda Tavares (Portugal), Thierry Lobbedez (France), Gail McMullan (United Kingdom), Aase Riemann (The Netherlands), Kalliopi-Anna Poulia (Greece), Mike Kelly (Ireland)				

14:00-15:30	<p>Hall A1</p> <p>S 09 Parallel Session Haemodialysis 1 Chairs: Susan Rogers (The Netherlands) & Hanadi Mezher (Lebanon)</p>	<p>Hall A2</p> <p>S 10 Parallel Session Home Therapies Chairs: Michael Roden (Belgium) & Linsey Worsley (United Kingdom)</p>	<p>Hall A3</p> <p>W 02 Workshop Human Factors and Patient Safety: Everybody's Business Chairs: Lesley Bennet (United Kingdom) & Karen Jenkins (United Kingdom)</p>	<p>Hall B</p> <p>W 03 Workshop Involving patients and family members from BAME/poor reached communities in clinical research Chair: Neerja Jain (United Kingdom)</p>	<p>Tower</p> <p>C 01 Course Hygiene, Infection Control and Prevention in Renal Care 14:00 - 14:45 Lectors: Paul Challinor (United Kingdom) & Ivana Bartakova (Czech Republic)</p>	
	<p>O 13 Quality of life, emotional states and pain in patients with chronic haemodialysis treatment Afra Masià-Plana (Spain)</p>	<p>O 20 Buttonhole in Daily Home Hemodialysis (DHHd): A rigorous practice for an optimal long-term result Francoise Delestre (France)</p>				
	<p>O 14 Cachexia and End-Stage Renal Disease: Results from a Cross-Sectional Analysis Clare McKeaveney (United Kingdom)</p>	<p>O 21 Nursing perception of the selection of existing hemodialysis patients for home therapies Jacqueline Cainglet (United Arab Emirates)</p>				
	<p>O 15 Quality of life in the aspect of dental problems in haemodialysis patients Anna Kliš (Poland)</p>	<p>O 22 No site infection with buttohole needling technique when implementing double anti-sepsia two years experience Anna Marti i Monros (Spain)</p>				
	<p>O 16 Intradialytic exercise and physical activity levels: effects beyond the dialysis period! Rui Sousa (Portugal)</p>	<p>O 23 Improving care and overcoming barriers through learnings from our patients/families Ethel Macatangay (Canada)</p>				
	<p>SO 17 Does intravascular volume status measured by inferior vena cava ultrasound correlate with bioimpedance spectroscopy? Ulrich Steinwandel (Australia)</p>	<p>SO 24 Sharing practices and standards to improve sustainability of home haemodialysis globally. SIGNhd Global. Laura Thompson (United Kingdom)</p>				
	<p>SO 18 Measurement of vascular access flow and recirculation in chronic haemodialysis patients Erika Petrovic (Slovenia)</p>	<p>O 25 To overcome barriers for self needling Anna Marti i Monros (Spain)</p>				
	<p>SO 19 Sexual Life in Patients with Chronic Renal Failure in Hemodialysis and During Predialysis Fatma Yildirim (Turkey)</p>	<p>SO 26 The Journey Home: Growing a home hemodialysis program while fostering professional relationships Kathleen Brown (Canada)</p>				
15:30-16:00	Coffee break - Sunday, September 15 th , 2019					

16:00-16:45	Hall A1	Hall A2			Tower	
	S 11 Parallel Session Transplantation Chairs: Marie Richards (United Arab Emirates) & Stavroula Vovlianou (Greece)	S 12 Parallel Session Open Forum 1 Chairs: Ilaria de Barbieri (Italy) & Veronica Strini (Italy)			C 02 Course Hygiene, Infection Control and Prevention in Renal Care Lectors: Paul Challinor (United Kingdom) & Ivana Bartakova (Czech Republic)	
	O 27 Renal nurses' perceptions regarding cadaveric kidney transplantation in Abu Dhabi Mesele Emily Ralyona (United Arab Emirates)	O 31 Nursing role in identification of patients at risk of Acute Kidney Injury in Abu Dhabi Madeline Manuel (United Arab Emirates)				
	O 28 Kidney transplantation referral of prevalent hemodialysis patients Safeer Ibrahim (United Arab Emirates)	O 32 Illness experience in nephrotic syndrome Anneli Jönsson (Sweden)				
	SO 29 The phenomenon of urinary tract infection experienced by women with a kidney transplant Lotte Løntoft Mathiesen (Denmark)	O 33 What do patients know and remember about their lives in hemodialysis? A multicentric study Donato Leopaldi (Italy)				
	SO 30 Evaluation of barriers to kidney transplantation in a dialysis unit Rawia Badran (Israel)					
16:45-17:00	Coffe break - Sunday, September 15 th , 2019					
17:00-18:30	Hall A1					
	Annual General Meeting 2019 Chair: Edita Noruisiene (Lithuania)					
	Welcome by the President Agenda: Introduction Electronic Voting explanation and test, Check for Quorum of Members Activity Report 2018 Financial Report 2018 Questions, Discussion and Approval Motions EC Elections and EC Committee 2019 - 2020 Reward and Recognition Strategy 2019 - 2025 Date and Venue of AGM 2020 Closing					

Monday, September 16th, 2019

9:00-10:30	Hall A1	Hall A2	Hall A3	Hall B	Tower 1	Aesculap Academy
	S 13 Parallel Session Needling with Plastic Cannulae & Vascular Access Chairs: Marianna Eleftheroudi (Greece) & Marisa Pegoraro (Italy)	S 14 Parallel Session European Kidney Health Alliance Chairs: Alois Gorke (Germany) & Anna Klis (Poland)	W 04 Workshop - Baxter Empower PD Patients to Self-Care – Validate Patient’s Skills to Perform PD Chairs: Susan Rogers (The Netherlands) & Aase Riemann (The Netherlands)	W 05 Workshop An Introduction to Mindfulness Practices: Managing Stress and Anxiety Chairs: Helen Noble (United Kingdom) & Clare McVeigh (United Kingdom)	E-Poster Session A Chairs: Michael Roden (Belgium) & Aneta Trzcinska (Poland)	C 03 Course Critical states during a dialysis treatment Lector: Michael Stern (Czech Republic)
	O 34 Analysis of the experience in the use of plastic needles in the Spanish-hemodialysis units Guillermo Pedreira-Robles (Spain)	Guest Speaker lecture Improving the life of kidney disease patients throughout Europe and the EU: the European Kidney Health Alliance Raymond Vanholder (Belgium)	Practical Module All participants will be given an evaluation form based on Self-care model by Dorothea Orem, to assess patients' skills to perform PD. The participating groups will be asked to give their opinion about the evaluation form Maria Arminda Tavares (Portugal)		E-P 001 Psycho-physical well-being in therapeutic adherence in women with autosomal dominant polycystic kidney disease Elena Brioni (Italy)	
	O 35 Patients and nurses perspectives about plastic cannulae for arteriovenous fistula Rui Sousa (Portugal)	O 41 Balanced program obesity reduction kidney disease conducted by a nurse specialized in physical activity Alicia Rovira (Spain)	Theoretical Module Presenting guidelines and clinical evidence about PD patient education. Maria Arminda Tavares (Portugal)		E-P 003 The phenomenon of the burnout in nurses working in hemodialysis Alessandro Pizzo (Italy)	
	O 36 The nurse’s role in vascular access infection prevention Paula Cale (Portugal)	O 42 New pathways– improving knowledge and education to barriers to organ donation and “opting out” Neerja Jain (United Kingdom)			E-P 004 Intradialytic exercise and season variations in haemodialysis patients Rui Camisa (Portugal)	
	O 37 Individualized cannulation technique centered to patient needs Tânia Galhofas (Portugal)	O 43 Younger people are also accessing kidney supportive care Ann Bonner (Australia)			E-P 005 Individualized teaching to the dialysis patient Célia Cunha (Portugal)	
	SO 38 Plastic versus metal cannulae in hemodialysis Zorica Obric (Serbia)	SO 44 The impact of Mediterranean Diet on biochemical markers and cardiovascular risk factors in CKD Vasiliki Zoi (Greece)			E-P 006 Patients self-care as promoter of quality of life: a case study Tânia Galhofas (Portugal)	
	SO 39 How to obtain a database for a vascular access monitoring and surveillance programme? Milene Cruz (Portugal)				E-P 007 Impact of an exercise program on physical and mental health of regular Hemodialysis patients Boaventura Cabecinhas (Portugal)	
	SO 40 Vascular surveillance program: 18 months results Catarina Santos Cunha (Portugal)				E-P 008 Improvement on patient experience and outcome with HDx dialyzer Betty Choi (Canada)	
					E-P 009 Impact of an intradialytic exercise program on body composition, phase angle and functional capacity Cecilia Vieira (Portugal)	
					E-P 010 Learning needs analysis: the 3rd survey Marie Richards (United Arab Emirates)	

10:30-11:00 Coffee break - Monday, September 16th, 2019

11:00-12:30	Hall A1	Hall A2	Hall A3	Tower 1	Tower 2	Aesculap Academy
	S 15 Parallel Session Vascular Access Chairs: Ruben Iglesias (Spain) & Irmina Vaicekauskyste (Lithuania)	S 16 Parallel Session Peritoneal Dialysis Chairs: Aase Riemann (The Netherlands) & Lynn Brown (Australia)	W 06 Workshop Uncovering the power of extra-ordinary leadership - The leadership Challenge Chairs: John Sedgewick (United Kingdom) & Helen Noble (United Kingdom)	E-Poster Session B Chairs: Jeannette Finderup (Denmark) & Stavroula Vovlianou (Greece)	C 04 Course Violence & Aggression in Renal Care Lector: Jaroslav Pekara (Czech Republic)	C 05 Course Critical states during a dialysis treatment Lector: Michael Stern (Czech Republic)
	O 45 MuST cannulation technique minimizes cannulation site problems Rui Sousa (Portugal)	O 52 What type of dialysis better to choose first? Rachel Morgenstern (Israel)		E-P 012 Therapeutic compliance in haemodialysis patients. Can nurses improve it? Valerio Neiviller (Italy)		
	O 46 Preventive care of distal ischemia related with haemodialysis vascular access Andreia Silva (Portugal)	O 53 Using uv-paint for evaluating touch-contamination of a patient-assistance device for peritoneal dialysis Sandra Neumann (Switzerland)		E-P 014 Online clearance monitoring (OCM Kt/V) vs. monthly laboratory Kt/V measurement in pediatric hemodialysis patients Ana Grilo (Qatar)		
	O 47 High-flow vascular access: the impact on the patient Elisa Amaral (Portugal)	O 54 Successful Peritoneal Dialysis treatment despite Abdominal Adhesions (a case study) Iris Romach (Israel)		E-P 015 Ambulatory Blood Pressure in Hemodialysis Patients Nopparat Maeboonruen (Thailand)		
	O 48 Are prosthesis segment interpositions in arteriovenous fistula producing good outcomes? Elisa Amaral (Portugal)	O 55 Home-treatment of peritonitis by peritoneal dialysis patients - a real choice? Judit Áldott (Hungary)		E-P 016 Dialysis disequilibrium syndrome in incremental hemodialysis Niramong Wongyai (Thailand)		
	SO 49 Ultrasound monitoring of the buttonhole: creation of a classification and assessment of its effectiveness Carolina Rubiella Rubio (Spain)	SO 56 Patient Management In The Vascular Access Failure : A Case (Emergency Periton Dialysis) Duygu Balci (Turkey)		E-P 018 The relationship between burnout and organizational commitment among nurses working in nephrology departments Milana Haimovich (Israel)		
	SO 50 Resistance to clorexidine as needling site antiseptic agent, and frequent use Anna Marti i Monros (Spain)	SO 57 An Improved CAPD Submodality Using a New Assist Device: CAAPD (Continuous Ambulatory/Automated Peritoneal Dialysis) Turkan Sanli (Turkey)		E-P 020 Brown Tumor as complication of Severe Secondary Hyperparathyroidism in Hemodialysis Patients: a Case Report Mahmoud Ikteelat (Israel)		
SO 51 Doing rope-ladder or bottonhole that's the question? Lise Streubel-Kristensen (Denmark)	SO 58 Adapting teaching and learning methodologies following a training needs analysis Cathy Poole (United Kingdom)					
12:30-14:00	Lunch break - Monday, September 16 th , 2019					
	Hall A1	Hall A2	Hall A3	Hall B		
		S 17 Lunch Symposium Greek Forum - Hypertension in Chronic Kidney Disease 12:45-13:45 Chairs: Panagiota Tsougia, President of HENNA & Vasiliki Lagazali, Secretary of HENNA & Stavroula Vovlianou (EDTNA/ERCA Brand Ambassador)		W 07 Workshop 12:45-13:45 Gaining EDTNA/ERCA Accreditation for your Renal Education Program - What's Involved Chairs: John Sedgewick (United Kingdom) & Theodora Kafkia (Greece)		
		(Session in Greek language) Hypertension in Chronic Kidney Disease Vassilios Liakopoulos (Greece) Blood Pressure measurement - technique data Marianna Eleftheroudi (Greece)				

14:00-15:30	Hall A1	Hall A2	Hall A3	Hall B	Tower 1	Tower 2
	S 18 Parallel Session Haemodialysis 2 Chairs: Anna Marti i Monros (Spain) & Hanadi Mezher (Lebanon)	S 19 Parallel Session Caring for the Well-being of Renal Healthcare Professionals Chairs: Maria Arminda Tavares (Portugal) & Jeannette Finderup (Denmark)	W 08 Workshop - Physidia Home Hemodialysis – Getting a better quality of life for your patients Chair: Irmina Vaicekauskyste (Lithuania)	S 20 Parallel Session Join session ANNA-EDTNA/ERCA Vascular Access: an International Perspective Chairs: Lynda K. Ball (ANNA Immediate Past President) & Maria Teresa Parisotto (EDTNA/ERCA Secretary)	E-Poster Session C Chairs: Carlos Goncalves (Portugal) & Marie Richards (United Arab Emirates)	C 06 Course Violence & Aggression in Renal Care Lector: Jaroslav Pekara (Czech Republic)
	O 59 Investigation of Comfort and Some Factors Affecting Patients with Hemodialysis Treatment Safiye Yanmiş (Turkey)	O 66 Exploring renal nurses' attitudes and views to a patient's decision to refuse dialysis treatment Mike Kelly (Ireland)	Principle benefits of home hemodialysis for renal patients Veliana Todorova (France)		E-P 013 Transition of Care - Quality Improvement Project in A Hospital-Based Dialysis Unit Iris Romach (Israel)	
	O 60 Investigation of effect on daily life activities and symptoms in hemodialysis patients Mukadder Mollaoğlu (Turkey)	O 67 The effect of working conditions on dialysis nurses' health in Greece Chrysanthi Avrami (Greece)	Home hemodialysis – from the patient perspective Aziz Abercane, Patient, (France)		E-P 022 Transhepatic catheter access: a case study Virginia Barroso Henriques (Portugal)	
	O 61 Nurse led implementation of a safe and effective hemoglobin control protocol in hemodialysis patients Michal Exman (Israel)	O 68 Which factors influence the level of nursing job satisfaction on haemodialysis private units? Inês Agostinho (Portugal)	Home hemodialysis in practice Matt Willans (United Kingdom) Greig Johnstone (United Kingdom) Cedric Poulard, (France) Fredrik Thibblin, (Sweden)		E-P 023 The overhydration status of patients with arteriovenous graft thrombosis Telmo Carvalho (Portugal)	
	SO 62 Nurses' perspectives on patient participation in hemodialysis treatments Chava Kurtz (Israel)	O 69 Safety climate, safety behaviour and risk perception among nurses on dialysis units Mário Mateus (Portugal)			E-P 024 Physical examination of arteriovenous fistula: how are we doing it and how to improve Osvaldo Albuquerque (Portugal)	
	SO 63 Exploring The Concordance Of Malnutrition Assessment Tools With The GLIM Criteria Among Hemodialysis Patients Liana Poulia (Greece)	SO 70 Prevalence of musculoskeletal complaints among haemodialysis nurses Magnus Lindberg (Sweden)			E-P 025 Development of nocturnal guidelines for home haemodialysis by special interest group for home haemodialysis(SIGNhd-UK) Laura Thomson (United Kingdom)	
	SO 64 Systematic fluid assessment in haemodialysis care: Development and validation of a decision aid Jenny Stenberg (Sweden)	SO 71 Unchanged nursing caretime for patients undergoing haemodialysis despite changes in characteristics over four years Ria de Kleijn (The Netherlands)			E-P 026 The relationship between LVEF and renal function, blood pressure, albumin, hemoglobin in CKD patients Nihal Khatib (Israel)	
	SO 65 The effect of patient compliance on the phosphorus level in blood Lyubov Kaurova (Russian Federation)	SO 72 "My Chinese sister " - Who takes care of the caregiver? Victoria Sura Zaslavski (Israel)			E-P 027 Monitoring vascular access with indirect methods Silvia Cappelletti (Italy)	
					E-P 028 Usefulness of Stress Qb Test in vascular access surveillance.Results of a hemodialysis center Ana Catarina Brito Silva (Portugal)	
					E-P 030 The use of an ultra-sound by nurses in Hemodialysis Unit: Benefits and Limitations Joana Ramos (Portugal)	
15:30-16:00	Coffee break - Monday, September 16 th , 2019					

16:00-17:30	Hall A1	Hall A2			Tower 1	
	S 21 Parallel Session Ethical, Psychological and Social Impact of CKD Chairs: Anastasia Liossatos (Greece) & Silvija Vladislavic (Croatia)	S 22 Parallel Session Open Forum 2 Chairs: Jeannette Finderup (Denmark) & Lynn Brown (Australia)			E-Poster Session D Chairs: Linsey Worsley (United Kingdom) & Anna Klis (Poland)	
	O 73 Feasibility of a randomised controlled trial of an arts-based intervention for patients receiving haemodialysis Claire Carswell (United Kingdom)	O 80 "Outstanding Patient" competition among dialysis patients to promote adherence to treatment Lea Michaelashvili (Israel)			E-P 031 Patient Safety Culture in a Hemodialysis clinic Ana Grilo (Qatar)	
	O 74 Assisted Home Hemodialysis in Terminal Patients: A Unique Experience from Qatar Asha Jadhav (Qatar)	O 81 Exploring the knowledge of non-renal nurses regarding the nursing management of in-patient hemodialysis patients Freddie Costales (United Arab Emirates)			E-P 032 How to re-incorporate nursing documentation in a new complex electronic healthcare recording system Anne Marie Boeskov (Denmark)	
	O 75 Are chronic kidney disease patients happy persons? Catarina Sanha Cunha (Portugal)	O 82 Haemodialysis nurses' confidence in carrying out a comprehensive renal physical assessment: a pilot project Jerel Kim Laguardia (United Arab Emirates)			E-P 033 Factors influencing postural balance in haemodialysis patients Ana Lino (Portugal)	
	SO 76 "Hope" - a multidimensional concept in nursing care Virginia Barroso Henriques (Portugal)	O 83 Nursing case manager in a haemodialysis unit: the way to improve Pedro Gonçalves (Portugal)			E-P 034 A review of comprehensive discharge planning to patients with new onset diabetes after transplantation Gitte Marie Erdmann (Denmark)	
	SO 77 Quality of life of dialysis patients and treatment regime adherence Ana Sofia Gomes (Portugal)	SO 84 Providing mindfulness meditation to patients with end stage kidney disease- overview of best practice Clare Mc Veigh (United Kingdom)			E-P 035 Multidisciplinary treatment of a calciphylaxis injury Hugo Costa Azevedo (Spain)	
	SO 78 Perception of the patients' quality of life during the first year of dialysis treatment Carina Gonçalves (Portugal)	SO 85 Evaluation of the Efficiency of Hygiene and Infection Control Trainings in Hemodialysis Centers Fatma Kaban (Turkey)			E-P 036 Benefits of Kidney transplant in frailty patient Maria Vera Casanova (Spain)	
	SO 79 Investigation of Fatigue and Some Factors Affecting Patients with Chronic Kidney Disease Esra Başer (Turkey)	SO 86 Timely referral to angioplasty due to arteriovenous fistula maturation failure Telmo Carvalho (Portugal)			E-P 037 FMEA- small act can save - or cost - a life Muhammad Khaskiya (Israel)	
				E-P 038 Nursing interventions to prevent infections in Peritoneal Dialysis patients – literature review Maria Arminda Tavares (Portugal)		

Tuesday, September 17th, 2019

8:30-10:00	Hall A1
	S 23 Plenary Session CKD & Conservative Renal Care Chairs: Evgenia Golland (Israel) & Reem Alhameedi (Saudi Arabia)
	Guest Speaker lecture The Older Dialysis Patient: Issues and Concerns Alice Hellebrand (United States)
	O 87 Kidney supportive care: Evaluation of treatment decision-making and advance care plans Ann Bonner (Australia)
	O 88 Palliative care needs in chronic kidney disease on regular haemodialysis patients Tatiana Silva (Portugal)
	SO 89/ID 182 Last Days of Hepatitis C Virus Péter Kabai (Hungary)
	SO 90 Development and introduction of a mentorship learning program for renal nurses Lynn Brown (Australia)
	SO 91 Psychosocial experiences of patients with end stage kidney disease: a phenomenological study Miriam Carole Atieno Wagoro (Kenya)

Coffee break - September 17th, 2019

10:15-11:45	Hall A1
	S 24 Plenary Session Risk Management Chairs: Tai Mooi Ho Wong (Spain) & Marisa Pegoraro (Italy)
	O 92 The effect of a balance exercise programme on haemodialysis patients Ana Furtado (Portugal)
	O 93 Factors influencing incidence of falls in haemodialysis patients Hugo Oliveira (Portugal)
	SO 94 Factors that influence the patient's perception of safety during haemodialysis Ana Catarina Pereira (Portugal)
	SO 95 Nurse Based Management for Mineral and Bone Disease in Hemodialysis Population Anees Jamil Bader Al Omari (Qatar)
	SO 96 Break the barriers on hand hygiene in a haemodialysis unit Marta Coimbra (Portugal)
	SO 97 Good practice guide to prevent dissemination of infection by Klebsiella pneumoniae-carbapenemase in haemodialysis center Esmeralda Nunes (Portugal)

Coffee break - September 17th, 2019

12:00 - 13:00	Hall A1
	S 25 Closing Ceremony Welcome to the Closing Ceremony Conference Overview Poster Award voted by the Conference Delegates The 49 th EDTNA/ERCA International Conference, 2020 Closing of the 48 th EDTNA/ERCA Conference

LEGEND:
GS - Guest Speaker Lecture
O - Oral presentation
SO - Short Oral presentation
E-P - E-Poster presentation
