

March, 2018

Dear All,

On March 17, at the occasion of "World Kidney Day", the Lebanese Society of Nephrology and hypertension in collaboration with EDTNA/ERCA Ambassador for Lebanon, have organized "Nursing symposium". It includes multiple sessions discussing women's health and kidney disease in addition to an educational contest. Winners of this contest have received educational booklets at EDTNA booth held parallel to the symposium where attendees had close encounter with EDTNA/ERCA organization.

On March 18, a Kidney walk was organized to increase awareness about kidney disease. Multiple hospitals and Doctors participated in this walk.

On May 9, the Lebanese order of Nursing is having its 2nd international conference. As EDTNA/ERCA Ambassador, I have organized a parallel workshop to discuss "Tool for nutritional assessment of renal patients". The workshop will be led by an international speaker Mr. Paul Challinor.

If you have any questions, please don't hesitate to contact me.

With very warm regards,

Hanadi Mezher,
EDTNA/ERCA Brand Ambassador Lebanon
