

Dear All,

The Annual Scientific Meeting took place in Athens entitled “Modern Challenges and Prospects for Kidney Transplantation”.

More than 140 nurses from different areas of Greece participated. And we had our own EDTNA/ERCA booth which was very well received and we had the possibility to promote our Educational Programme including our books.

I also took the opportunity to announced the news and promoted the participation in the 47th EDTNA/ERCA International Conference which takes place in Genoa, September 15th – 18th.

If you have any questions, please don't hesitate to contact me.

With very warm regards,

*Stavroula Vovlianou,
EDTNA/ERCA Brand Ambassador Greece*
