FIRST EDTNA/ERCA EDUCATIONAL EVENT IN SLOVENIA

- On 30th of March 2016 as Brand Ambassador for Slovenia I organized the first EDTNA/ERCA educational event in Brezovica pri Ljubljani. All the head nurses of the Dialysis Centres and Nephrology Departments from Slovenia were invited. In my lecture I presented EDTNA/ERCA and membership benefits. My intention was also to encourage Slovenian nurses to present their work on EDTNA/ERCA conferences. This is why our next presenter was Cvetka Krel, who shared her experience on oral presentation on EDTNA/ERCA conference. Our guest speaker Bojan Vujkovic, MD talked about chronic kidney disease, teamwork and next projects about CKD in Slovenia.
- The event was a success, because of networking and sharing our experience. I hope that we will have another educational event like this next year.

Sonja is available to answer EDTNA/ERCA related questions.
