OPEN DAYS OF THE SILESIAN MEDICAL UNIVERSITY IN KATOWICE

June 7, 2019

On June 3-7, 2019, in the Medical University of Silesia took place OPEN DAYS. Aneta Trzcińska was invited to give a lecture about the promotion of the nurse profession.

Aneta talked about the benefits of being a nurse. Aneta talked about the possibilities of nursing - for example - being a member of an international association. She talked about EDTNA / ERCA, about the good reasons to become an EDTNA / ERCA member.

Nearly 1000 people took part in this event.

Students taught by Aneta Trzcińska.
