

## Polish Country Meeting in Genoa

September 16, 2018

During the conference in Genoa, participants from Poland had a country meeting. It was very nice and needed time together. The meeting was attended by 22 people from Poland. The meeting was hosted by two Brand Ambassadors EDTNA from Poland Anna Klis – from 2013 to 2018 and Aneta Trzcinska – since 2018.

Anna Klis in her presentation showed the achievements of EDTNA/ERCA, she encouraged her to use helpful educational applications, she showed new EDTNA/ERCA publications.

Participants talked about the conference in Genoa: which lectures were interesting, which sessions are worth going to, about the workshops, technological novelties, publications available at the EDTNA booth.

All participants from Poland visited the EDTNA/ERCA booth many Times and took a selfie there. The conference application enjoyed a lot of interest.

The participants of the meeting planned a conference in the country, during which they will be able to talk about the conference in Genoa to other people who couldn't be in Genoa.

It was a very nice time spent together.

We thank EDTNA/ERCA for the possibility of a joint meeting and prepared refreshments.

See you in Prague!
