C. Meeting Summary

On July 22nd, EDTNA/ERCA Renal Nurses Forum in KSA held a meeting with renal industry partner in the kingdom. The meeting was opened and 20 participants were in attendance. During the meeting, attendees shared opinions, thoughts and suggestions for the future of the EDTNA/ERCA in KSA.

The keynote speakers were: Dr John Sedgwick, and Dr Reem Alhameedi. Dr. Sedgwick provided a presentation about EDTNA/ERCA background and mission, followed by presentation by Dr. Alhameedi about the role of the EDTNA/ERCA brand ambassador in KSA.

During the meeting, participants got the chance to network and discuss future plan for educational activities for renal nurses in the kingdom, financial issues and events sponsorship.
