## SWEDISH NATIONAL ASSOCIATION MEETING 2016

- Great input of Sophie Halldin - Brand Ambassador from Sweden - by attending and actively participating at Swedish National Association meeting
- The 10-12 of May the Swedish National Association held their annual meeting in Umeå, the northern part of Sweden. As Brand Ambassador of Sweden, I was there and with a booth and a short oral presentation I promoted EDTNA/ERCA.
- This year I found a greater interest for the Association and several delegates wanted to become members at the spot. My reflection is that there was a larger number young nurses whom visited the meeting this year. Also many of the visitors had wishes for more translations into Swedish. Next year the meeting will be held in Visby, Gotland.
