

The 43 National Congress in Spain (SEDEN) and Iberoamericano took place on 19-21 November 2018 in Madrid.

About 600 nurses from different areas of Spain and Iberoamerica participated.

A lot of people visited the EDTNA/ERCA booth where I promoted the Association with Roll-Up, the publications Portfolio, Handbooks, brochures, the News, the Journal of Renal Care. I also distributed some information about the next seminar EDTNA/ERCA on 6-7 June on Barcelona with ACIN, Catalan Association.

I think that it was a great opportunity to show how is great EDTNA/ERCA and a lot of Reason to become a member.
