

THE 13TH UK ANNUAL DIALYSIS CONFERENCE

“Our Evolving Landscape of Dialysis”

The Lowry Hotel, Dearmans Place, Manchester
22nd, 23rd and 24th September 2021

Wednesday 22nd September 2021

08:30-09:45 Industry Breakfast Symposium

08.30-09.45 Registration

Vascular access session (virtual and face to face)

09:45 - 10:00	Introduction	<i>Enric Vilar</i>
10:00 - 10:20	Vascular access monitoring	<i>Paul Gibbs</i>
10:20 - 10:40	Reducing infections in haemodialysis	<i>Peter Thomson (Glasgow)</i>
10:40 – 11:00	Gold standard fistula needling	<i>TBC</i>
11:00 – 11:20	Nurse led peritoneal catheter insertion	<i>TBC</i>

11:20 – 11:40 Coffee and Exhibition

Workshops (face to face delegates only)

11:40 – 12:10 Selection of workshops- (choose one)

- | | |
|--------------------------------------|--|
| A. Challenging vascular access cases | <i>Paul Gibbs (Portsmouth), Ahmed Hamoud (Lister)</i> |
| B. Keeping fistulas alive | <i>Kate Steiner (Lister), Sivaram Ramanarayanan (Lister)</i> |
| C. Right access at the right time | <i>Aurang Zaib Khawaja (Birmingham)</i> |

12:10 – 12:40 Selection of workshops- (choose one)

- | | |
|--------------------------------------|--|
| A. Challenging vascular access cases | <i>Paul Gibbs (Portsmouth), Ahmed Hamoud (Lister)</i> |
| B. Keeping fistulas alive | <i>Kate Steiner (Lister), Sivaram Ramanarayanan (Lister)</i> |
| C. Right access at the right time | <i>Aurang Zaib Khawaja (Birmingham)</i> |
-

12:40 – 14:00 Lunch and industry symposia: Physidia workshop (tbc)

Medtronic workshop (tbc)

Home Therapies Session (virtual and face to face)

- 14:00 – 14:20 Remote monitoring of home therapies patients TBC
14:20 – 14:50 Global perspectives in peritoneal dialysis: *Martin Wilkie (Sheffield)*
What have we learned from PDOPPS?
-

Workshops (face to face delegates only)

- 14:50 – 15:20 Selection of workshops- (choose one)
- A. Challenging home dialysis scenarios *Natalie Borman (Portsmouth), Daljit Hothi (Gt Ormond St)*
- B. Is assisted home dialysis the key to increasing Home therapies uptake? *Sandip Mitra (Manchester), TBC*
- C. Home therapies for the future is the workforce ready? *ANN UK*
- 15:20 – 15:50
- A. Challenging home dialysis scenarios *Natalie Borman (Portsmouth), Daljit Hothi (Gt Ormond St)*
- B. Is assisted home dialysis the key to increasing Home therapies uptake? *Sandip Mitra (Manchester), TBC*
- C. Home therapies for the future is the workforce ready? *ANN UK*
-

Keynote lectures (virtual)

- 15:55 – 16:30 Global perspectives with vascular access: Charmaine Lok (Toronto, Canada)
Where are we with fistula first?
- 16:30 – 17:05 Patients selecting PO or PD in selected patients? Jeffrey Perl (Toronto, Canada)
(Sponsored and facilitated by Baxter)

Thursday 23rd September 2021

08:30-10:00am Industry Breakfast Symposium (Quanta TBC)

Registration

Applications of dialysis (virtual and face to face)

09:00 - 10:20	How to get fluid right in hospitalised patients	<i>Nick Sangala (Portsmouth)</i>
10:20 - 10:40	Evolving practice for critical care renal replacement therapy	<i>Chris Laing (Royal Free Hospital)</i>
10:40 – 11:00	COVID 19: is there a silver-lining for home therapies?	<i>Natalie Borman (Portsmouth)</i>

11:00 – 11:20 Coffee and Exhibition

Workshops (face to face delegates only)

11:20 – 11:50 Selection of workshops- (choose one)

A. The role of technology in growing home dialysis	<i>Enric Vilar (Stevenage), Natalie Borman (Portsmouth)</i>
B. Symptom-free dialysis: a reality?	<i>Nick Sangala (Portsmouth), Daljit Hothi Gt Ormond St)</i>
C. You are what you eat: nutrition in dialysis	<i>Linda Johansson(Imperial), Siva Sridharan (Lister)</i>

11:50 – 12:20 Selection of workshops- (choose one)

A. The role of technology in growing home dialysis	<i>Enric Vilar (Stevenage), Natalie Borman (Portsmouth)</i>
B. Symptom-free dialysis: a reality?	<i>Nick Sangala (Portsmouth), Daljit Hothi Gt Ormond St)</i>
C. You are what you eat: nutrition in dialysis	<i>Linda Johansson(Imperial), Siva Sridharan (Lister)</i>

12:20 – 13:30 Lunch and industry symposia (Fresenius workshop tbc)

Activating the team multi-disciplinary team (virtual and face to face)

Chairs: Daljit Hothi and Cormac Breen

13:30 – 14:10 A haemato-oncology-renal approach
MDT case discussion

Panel: Oncologist / haematologist-TBC, Jacqueline Nevols (Portsmouth), Mandy Bryon (Great Ormond Street), Caroline Ashley (Royal Free Hospital)

14:10 – 14:30 Supportive care in dialysis *Jaqueline Nevols (Portsmouth)*
14:30 – 14:50 Supporting staff well-being and resilience *Mandy Bryon(Gt Ormond St)*

14.50-15.20 Coffee and Exhibition

Workshops (face to face delegates only)

15.20 – 15:50 Selection of workshops- (choose one)

- | | |
|---|---|
| A. Anticoagulation problems in dialysis | <i>Enric Vilar (Stevenage), Caroline Ashley (Royal Free)</i> |
| B. Dialysis and end-of-life care planning | <i>Jacqueline Nevols (Portsmouth), Alison Danbury-Lee (Stevenage)</i> |
| C. Stubborn anaemia in dialysis | <i>Sunil Bhandari (Hull), Ken Farrington (Stevenage)</i> |

15:50 – 16:20 Selection of workshops- (choose one)

- | | |
|---|---|
| A. Anticoagulation problems in dialysis | <i>Enric Vilar (Stevenage), Caroline Ashley (Royal Free)</i> |
| B. Dialysis and end-of-life care planning | <i>Jacqueline Nevols (Portsmouth), Alison Danbury-Lee (Stevenage)</i> |
| C. Stubborn anaemia in dialysis | <i>Sunil Bhandari (Hull), Ken Farrington (Stevenage)</i> |
-

Keynote lectures (virtual)

16.20 –16:55	Myeloma meets renal failure: how to get ahead	<i>TBC</i>
16:55 – 17:30	Global perspectives on dialysis from the ISN President	<i>Vivek Jha (George Institute for Global Health, India)</i>

1900 onwards
Drink's reception and dinner
Lowry Hotel (conference suite)

Friday 24th September 2021

0830-10.00 Breakfast in conference suite

Dialysis 2030

10:00 - 10:20	Inequalities in renal care	<i>TBC</i>
10:20 - 10:40	What are the levers for change in dialysis?	<i>Paul Cockwell (Birmingham)</i>
10:40 – 11:00	The Sustainability Transformation Plan for dialysis	<i>Albert Power (Bristol)</i>
11:00 - 11:20	The kidney PREM: what have we learned about dialysis?	<i>Catherine Stannard (Renal Association)</i>

11:20 – 11:50 Coffee and Exhibition

Dialysis 2030

11:50 – 12:30	Advancing Quality of Care for Dialysis Patients: should we advocate for personalised care or strengthen universal standards? Personalised care and individualised dialysis: The case for universal standards to improve outcomes	<i>TBC TBC</i>
12:30 – 12:40	The Dialysis Society- an introduction	<i>Sandip Mitra, Faculty Lead</i>

CLOSE

12:40 – 13:30 Lunch and exhibition
