Dear Colleagues & Friends,

It is with great pleasure and pride we invite you to join us in Krakow next year where our 46th EDTNA/ERCA International Conference will take place. The theme of our Conference is - *'True Partnership and Global Approach in Management of Renal Care'*.

The Kraków Congress Center is the cultural flagship of the city. It is located in the very heart of Kraków and it is a convenient place close to the hotels. The ICE Kraków has a three-level glass foyer, which provides a fantastic panorama view of Kraków as well as an excellent overview and access to the Industrial Exhibition and Session Rooms.

Krakow is among those European metropolises whose unique image has been shaped through the creative efforts of people of many nationalities. Included on the first UNESCO List of World Cultural and Natural Heritage Sites, the former capital of Poland remains the largest treasury of artefacts of the nation's history.

Please join us in Krakow, experience our well planned Scientific and Educational Sessions, the Industrial Exhibition, Share Experience among each other and much more. Welcome to Krakow!
